

COMPANY PROFILE

Precision in Brass, Perfection in Every Part

Shree Brass Industries is a trusted manufacturer and supplier of high quality brass components.

We specialise in Forging Parts, CNC Machined Parts and Turned Parts as per customer drawings and specifications.

With advanced infrastructure, skilled workforce and strict quality control, we deliver precision parts for various industrial applications.

ABOUT US

Driven by Precision. Defined by Quality.

-  **Company Name** : Shree Brass Industries
-  **Established** : With a Vision for Excellence
-  **Nature of Business** : Manufacturer, Supplier & **Exporter**
-  **Location** : Jamnagar, Gujarat, India
-  **Core Products** : Forging Parts, CNC Parts, Turned Parts
-  **Market Served** : Domestic & International
-  **Commitment** : Quality, Precision & Timely Delivery

OUR PRODUCTS

Engineered with Precision. Built for Performance.

FORGING PARTS

High strength & durable
brass forged components.

CNC MACHINED PARTS

Precision CNC components
for critical applications.

TURNED PARTS

High precision turned parts
with excellent finish.

MANUFACTURING PROCESS

From premium raw material to precision components –
crafted with excellence at every step.

Advanced technology, skilled workforce and strict quality control ensure
precision, durability and customer satisfaction.

INFRASTRUCTURE

State-of-the-art facility equipped with advanced technology to deliver precision, quality and consistency.

**CNC MACHINING
CENTER**

Modern Machines

Equipped with advanced and high-performance machines.

**TURNING
SECTION**

Skilled Workforce

Experienced and dedicated team ensuring superior workmanship.

**FORGING
SECTION**

Advanced Technology

Adoption of latest technology for precision and efficiency.

**QUALITY CONTROL
LAB**

High Production Capacity

Scalable infrastructure to meet bulk and urgent requirements.

FORGING PARTS – PRODUCT RANGE

Precision forged. Perfectly machined. Built to perform.

Forged Nut

Forged Tee

Forged Elbow

Forged Coupling

Forged Socket

Forged Union

Forged Flange

Forged Plug

Material : Brass (CZ121, CW617N, CZ124, CW614N)

Process : Forging + Machining

Size Range : 1/4" to 4" (As per Drawing)

Weight Range : 20 gm to 2.5 kg

Finish : Natural / Nickel / Chrome / Polish

Application : Plumbing, Gas Fittings, Valves, Industrial Fittings, Automotive, Electrical

Tolerance : As per drawing / IS / BS / ASTM

CNC MACHINED PARTS – PRODUCT RANGE

High precision. Complex geometry. Consistent quality.

CNC Brass Bush

CNC Brass Adapter

CNC Brass Block

CNC Brass Insert

CNC Brass Valve Body

CNC Brass Connector

CNC Brass Nozzle

CNC Brass Pin

Material

: Brass (CZ121, CW617N, CZ124, CW614N)

Process

: CNC Turning, Milling, Drilling, Tapping

Size Range

: 3 mm to 150 mm (Dia)

Weight Range

: 5 gm to 1.5 kg

Finish

: Natural / Nickel / Chrome / Polish

Application

: Automotive, Electrical, Pneumatic, Hydraulic, Instrumentation

Tolerance

: ± 0.01 mm to ± 0.05 mm

TURNED PARTS – PRODUCT RANGE

Precision turned components for superior performance.

Brass Turned Shaft

Brass Threaded Stud

Brass Spacer

Brass Sleeve

Brass Collar

Brass Plug

Brass Knurled Nut

Brass Ferrule

Material

: Brass (CZ121, CW617N, CZ124, CW614N)

Process

: Automatic Lathe, CNC Turning

Size Range

: 3 mm to 100 mm (Dia)

Weight Range

: 3 gm to 80 gm

Finish

: Natural / Nickel / Chrome / Polish

Application

: Electrical, Automotive, Hardware, Furniture, Industrial

Tolerance

: ± 0.02 mm to ± 0.1 mm

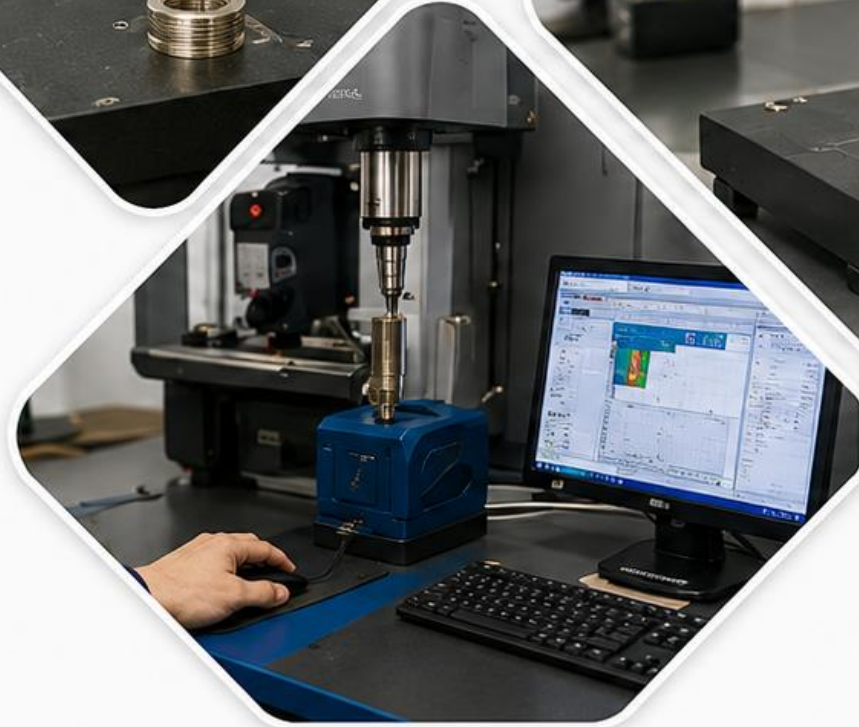

Precision Turned Components with **Consistent Quality & Reliable Performance**

QUALITY & TESTING

Precision in every step. Quality in every part.

- ✓ Raw Material Test
- ✓ In-Process Inspection
- ✓ Dimensional Accuracy Check
- ✓ Thread & Fitment Check
- ✓ Surface Finish Check
- ✓ Final Quality Inspection
- ✓ 100% Customer Satisfaction

WHY CHOOSE US?

High Quality Raw Material

We use only certified high grade brass.

Advanced Machinery

Modern CNC machines and latest technology.

Skilled Workforce

Experienced and dedicated team.

Quality Assurance

100% inspection and strict quality control.

Timely Delivery

On-time delivery with best support.

Customer Satisfaction

We believe in long term partnership.

PREMIUM QUALITY
PRODUCTS

PRECISION
MANUFACTURING

TRUSTED BY
CUSTOMERS GLOBALLY

COMMITTED TO
EXCELLENCE

APPLICATIONS / INDUSTRIES SERVED

Precision brass components for a wide range of critical applications.

PLUMBING & SANITARY

High quality brass components for durable plumbing and sanitary fittings.

AUTOMOTIVE

Precision parts for automotive systems ensuring performance and reliability.

ELECTRICAL & ELECTRONICS

Reliable brass parts for electrical fittings and electronic applications.

PNEUMATIC & HYDRAULIC

Durable components for pneumatic and hydraulic systems built to perform.

INDUSTRIAL MACHINERY

Engineered brass parts for industrial machinery and heavy equipment applications.

INSTRUMENTATION

High precision brass components for measurement and control instrumentation.

CONTACT US

We are always here to help you with the best quality brass components.
